Life is a long, continuous journey that progresses in steps of growing and learning experiences.

At birth, we are led into the learning process by our parents. They teach us to eat, walk, and talk through their love and attention which helps us to grow in strength and knowledge.

Next, we go to school and we are taught by unfamiliar instructors. We develop into students in an environment larger than our earlier habitat. This step is our first breakthrough into the outside world.

County
Savings and Loan
Association
JACKSON COUNTY
SAVINGS & LOAN
ASSOCIATION

From grade school to junior high to high school, we encounter new places and faces. Old friends create the firm foundation of confidence while the acquaintance of new friends adds to the building blocks of our whole existence. Class by class, we struggle through all courses of adventure — from History of the American Past to Cultures of the Orient to the poetic works of Robert Frost. Books are the tools through which we build our ever-increasing knowledge.

Step up and up.
The next step is college.
Courses in college simply
elaborate on courses we may
have studied earlier in our
formative years. Education is
the same but the height of its
intensity is of an elevated
degree.
The learning never ends.
Once we graduate, we will
continue to grow. Daily life
introduces us to new situations.
The steps continue toward the
achievement of our goals.

Now we are at Cullowhee. This is the step that can lead us into the job world with an extra point or two in our favor. Resumes, interviews, and competition among other applicants can be tackled with an aura of confidence. We can earn the degree.

Moving closer to our goals, we take the steps: freshman, sophomore, junior, and senior. This time in our lives is an experience that we will carry with us in our minds the rest of our growing days. When we are thirty, forty, or even fifty years old as Western Alumni, we will look back at the year of nineteen and eighty-five with pride. We will be able to say that we lived, learned, and grew through the Cullowhee Experience.

Day

Mountain Heritage Day

When summer is over, the crops are in and the canning is done, it's time to take a day off and get together for some good old-fashioned mountain merrymaking. Mountain Heritage Day is that kind of day. It is a day dedicated to preserving the mountain crafts, music, and recreational activities of the past.

The 1985 Catamount was created and compiled by the Catamount yearbook staff. Lead by Robert Badger, the staff consisted of Jill Ownbey, Joy Postell, Bill Bryan, and Robin Hunter. Althea Carter and Joy Queen worked with the staff during the fall semester.

WCU's Reid Gymnasium was the location for the cover and it was photographed by Davenport Illustrators. All of the black and white photos were taken by the staff photographers Marcia Owens and Shelly Zeiglar and by Davenport Illustrators. Sylva's Livingstons processed the color photos.

Six hundred copies of the book were printed at Hunter Publishing Compnay in Winston-Salem, N.C. The cover material is white "C" grade cloth with the front and back cover printed with the four color process and bound on 160 point board with a .003 film laminate. The endsheets are 65 point Camel Parchtone(134). The paper is 80 pound embossed by SD Warren with black ink. The type style is American Typewriter with the body copy set in 10 point medium, captions in 8 point medium, class names in 6 point medium and headlines in 36 point medium. American Typewriter light is used for emphasis.

Lambda Chi Alpha was established at WCU in Febuary, 1969. The fraternity sponsors the annual Raft Race down the Tuckaseigee River. Also, they have a sorority kidnapping in the fall. This year the brothers moved into their new house on Fraternity Row located on River Road. The social highlight of the year is the Crescent Weekend. In the community, the brothers had a fund raising drive from which they raised $1,000 to give to the American Cancer Society. All together, Lambda Chi has raised $6,000 for many different organizations.

Phi Mu extends her heart and hand to offer friendship and guidance in one of the oldest sisterhoods. Phi Mu sisters can be seen on the WCU campus in their pink and white letters. Phi Mu has participated in several community projects. As a philanthropy project, toys were distributed among children in a hospital. To share in fellowship, they visited senior citizens. Also, they contribute to Project Hope which is a ship that doctors travel on to help needy families around the world. The Phi Mu sisters extend this message: "Our founders took the first steps toward mutual association and created an ideal of sisterhood that is strong enough to meet any challenge. Today, the challenge is ours — to be steadfast in every duty, large or small, and to be true to the purpose of our fraternity.

Pi Lambda Phi was founded at Yale University in 1895. Locally, the fraternity started on January 28, 1978. This year the Pi Lams moved into their new house, so they held their 4th annual Haunted House there. The brothers also hosted the largest party at Western — Midnight Madness. Eight hundred guests showed up but only thirty lasted until the six o'clock deadline. Those lucky few, received their "I survived Midnight Madness" certificates. In the community, the Pi Lams helped at the local Telethon for Arthritis by answering the phones as people called in to give donations. The Pi Lams are proud to be the recipients of the Presidents Council Scholarship for the past five years.

Alpha Xi Delta was founded locally as Alpha Delta Chi February 13, 1964, was received as a colony of Alpha Xi Delta on December 4, 1965 and received their charter on May 7, 1966. Jane Hall, a professor at WCU, was the sorority's first president. Their flower is the pink kilarney rose and their mascot is the teddy bear. Alpha Xi Delta sponsors a local and national philanthropy. Also, locally they annually trick or treat for the Animal Relief Fund (ARF). They hold various fundraisers throughout the year and the money goes to the American Lung Association. In addition to the above activities, the sorority collected stamps and cans for money to send to children overseas. And they gave an Easter party for Brownies.

Sigma Phi Epsilon was formed at Richmond College on November 1, 1901. At WCU, they are very active in campus activities. At their regionals they received the Excelsior Cup for the most campus participation. The Sig Eps held a softball game against WLOS TV-13 and the procedes went to the C.J. Harris Hospital Fund. Other service community projects include: road clean-ups and the Special Olympics. During Homecoming, the Sig Eps won the Chancellors Award for their float and their Golden Heart, Dawn Thompson, was elected Homecoming Queen. They participated in the Phone-a-thon and various other campus activities. They are in the process of adopting a sister program.

Sigma Kappa was founded on November 8, 1874 at Colby College in Maine. Some of their contributions to the community are visiting people at the Webster Home, collecting food and clothes for families and participating at Pike's Peak. The violet is their flower and the pearl is their jewel. "To be a Sigma Kappa is to be a friend and inherit a whole new family of sisters."

The Kappa Alpha Order became a part of Western Carolina University's campus fraternity system on October 2, 1965. Since that time, Kappa Alpha has participated in various activities in order to raise money. This year the brothers joined with Sigma Nu to help 91FM with their Leukemia drive. The amount that was raised was almost three times the amount that the radio station predicted. The fraternity held a KA softball tournament which raised money for Muscular Dystrophy. Kappa Alpha also collected textbooks that they sent to the Philipines for people to use. Socially, the brothers held on Old South weekend in Georgia at Lake Lanier.

Pi Kappa Alpha was founded on March 1, 1668 at the University of Virginia in Charlottesville. They were chartered at WCU on February 12, 1967. Pi Kappa Alpha, also known as "PIKA", participated in several activities. In the community, the fraternity raised money in a 180-mile "Run for Muscular Dystrophy." The Pikes adopted a little brother, Brian King, who lives at the Eliada Home for Children in Asheville. Socially, the Pikes held a homecoming party for the alumni at Justjanes Restaurant. The social highlight of the year was the annual Dream Girl Weekend. In the American Red Cross blood drive, the brothers and little sisters broke the record for donations at WCU. They gave 517 pints.

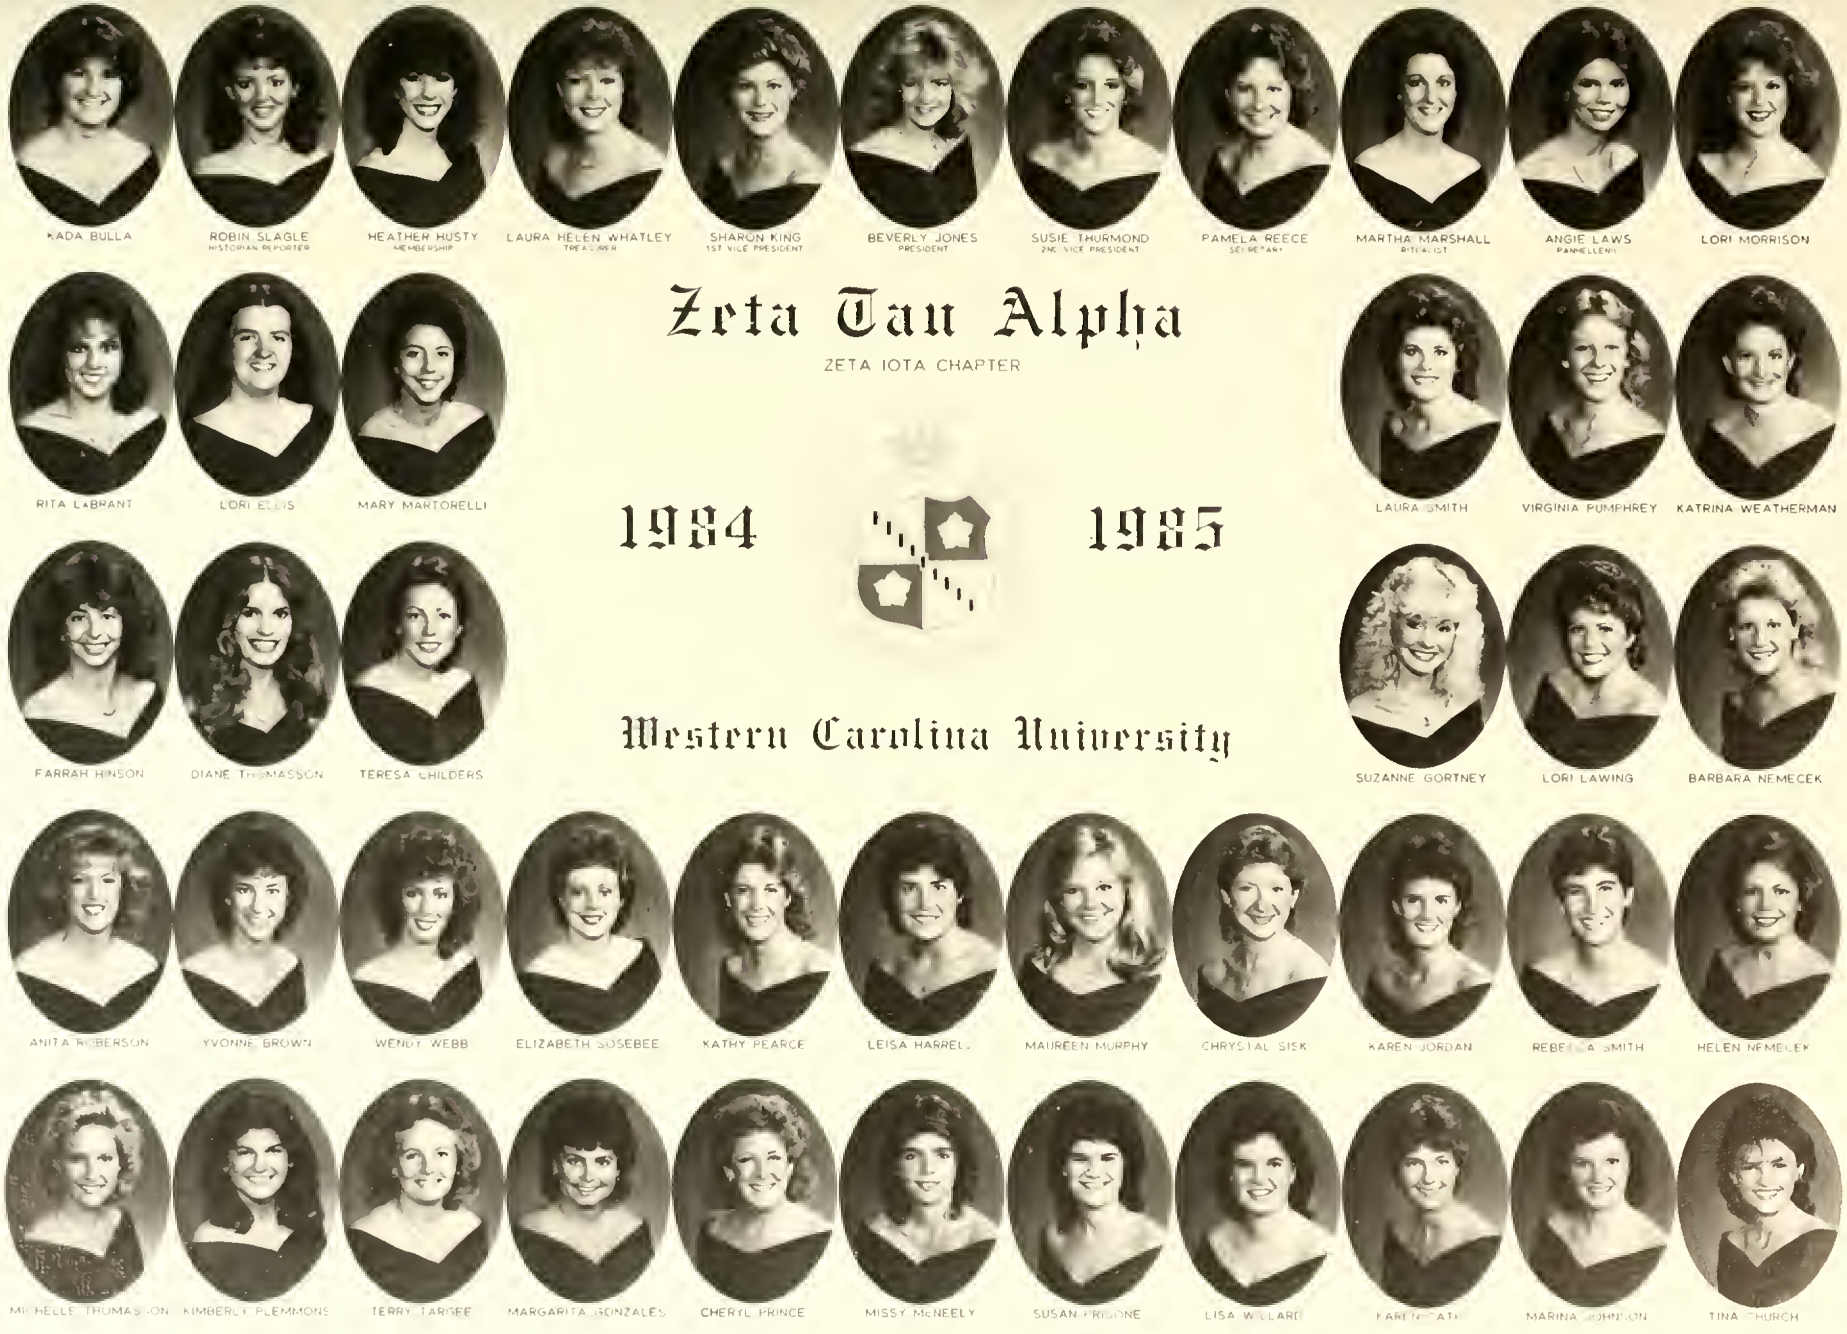
ZTA

Gamma Sigma Omicron first appeared on the campus of Western Carolina University in 1964, and in 1966 became the Zeta Iota Chapter of Zeta Tau Alpha. The turquoise blue and steel gray letters can be seen all over campus as Zeta had the highest number of participants involved in campus-wide activities. The sorority's list of honors include being named the most outstanding sorority on campus for the past several years, and also having the highest sorority scholarship. They have also been recognized nationally by winning the Margaret Dunkle Hardy Award for scholastic improvement. Zeta's national philanthropy is ARC (Assocation for Retarded Citizens), and most of the money made from service projects goes toward this cause. The sisters and pledges are very excited and proud of their accomplishments over the past year.



Tau Kappa Epsilon was founded at Illinois Wesleyan University on January 10, 1899. This year they had their 26th anniversary at WCU in April. The fraternity raised money, from a cactus sale, to send to Saint Jude's Children's Hospital. During Mountain Heritage Day, the brothers sold apple cider to the visitors while the TKE Little Sisters sponsored a Parents Day program. In the Great American Escape, an alcohol awareness program, the Tekes set up an information display. Socially, the Tekes held mixers for the Zeta Tau Alpha and Sigma Kappa. The Teke Leadership Conference was held in Cullowhee. WCU's representative for district sweetheart, Kelly Fullbright, won.

Pi Kappa Phi was founded on December 10, 1904 at the College of Charleston and they were chartered locally in January, 1967. The Pi Kappa Phi are involved in intramural sports and numerous charity drives. This year they held a Marathon Party and a 48 hour Softball Tournament to raise money for a program called PUSH (Play Units for Severely Handicapped). This is their national charity and it is a very worthy cause because the units that are built with the donations entices handicapped children to play. Socially, the Pi Kapps host a Rose Ball at which they give awards to their senior members and they honor their officers. This event was held in February at Greenville, South Carolina.

Theta Xi was founded at Renselier Polytechnic Institute in Troy, New York on April 1864. WCU's Theta Xi hosted a few of this year's Greek Activities at their house. The Greek games were held on their land and they gave a toga party during Greek Week '84. Also, they joined with the Pikes to host a giant Greek Halloween party. Theta Xi also contributed to the community by visiting the Autumn Care Nursing Home in Balsam. Starting this year and continuing into next year, Theta Xi is sponsoring a Central American Girl. This is their contribution to the "Save the Children" program.

Delta Sigma Phi was founded on December 10, 1899 at New York University. This year Delta Sigma Phi celebrated its 25th year at WCU on December 6. The fraternity hosted the Student Government victory party since Todd Davis, a Delta Sigma Phi, was elected for the position of president of the SGA. The major social functions for the Delta Sigs, are the Carnation Ball and Shipwreck Weekend. In March, the fraternity hosted a philanthropy project, the March of Dimes Walk America '85. In the future, they plan on making renovations to their house.

ΔΣΦ

Delta Sigma Theta Sorority, Incorporated, was founded in 1913 on the campus of Howard University in Washington, D.C. In 1930, the sorority was incorporated as a national organization. Delta Sigma Theta is a public service sorority emphasizing character scholarship, and service dedicated to a program of sharing membership and organizational skills in the public interest. Delta Sigma Theta serves the community through its Five-Point Program Thrust in the areas of: educational development, economic development, physical and mental health, international awareness and involvement, and political awareness and involvement. Some of the activities which the local chapter were involved in included: a canned food drive and co-sponsoring sickle-cell anemia week.

ΔΣΘ

November 1984. Most of the year they worked to receive their charter. Right away, the fraternity began participating in activities. Sigma Nu held a raffle, held their first golf tournament and had several car washes. To help a needy family in Jackson County, the brothers held a canned goods drive. Sigma Nu, along with Kappa Alpha Order, helped 91 FM raise money for the Leukemia drive. Money was collected at tables in the cafeteria and at a road block.

ΣN

The Alpha Chi Omega colony at WCU as a local sorority, Delta Pi Delta, which was formed in March, 1984. The sorority participated in Formal Rush, Fall, 1984 and inducted seven pledges from the rush. They were also active in intramural sports and Greek Week activities. Alpha Chi Omega was founded in 1885 at DePauw University in Indiana. Their colors are scarlet and olive green signifying the fall when Alpha Chi was founded. WCU is one of the three Alpha Chi homes in N.C. Spring Rush, 1985 took place in January and was conducted by National Officers of Alpha Chi Omega and Alpha Chi's from the University of Tennessee. It was a busy time for the new Alpha Chi colony. This year is the 100th anniversary of Alpha Chi Omega and they are looking forward to being installed as a chapter at the sorority's national convention.

Sailing To Byzantium

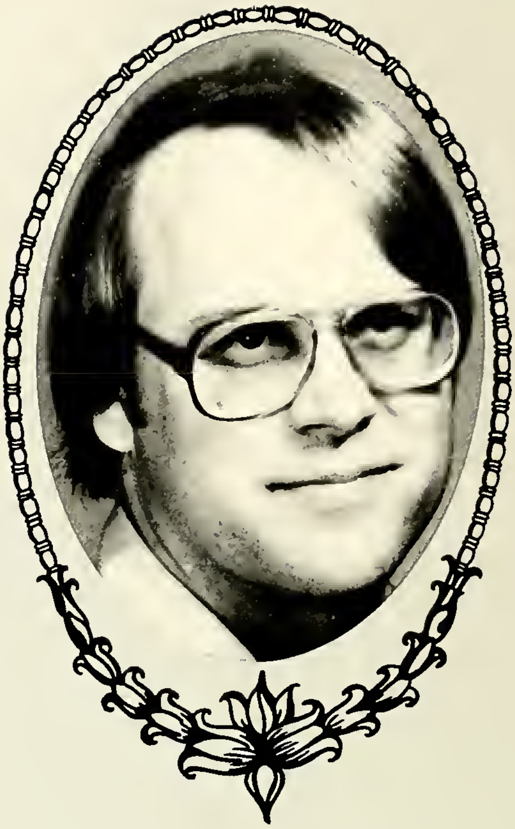
That is not country for old men. The young
In one another's arms, birds in the trees
— Those dying generations — at their song,
The salmon-falls, the mackerel-crowded seas,
Fish, flesh, or fowl, commend all summer long
Whatever is begotten, born, and dies.
Caught in that sensual music all neglect
Monuments of unageing intellect.

An aged man is but a paltry thing,
A tattered coat upon a stick, unless
Soul clap its hands and sing, and louder sing
For every tatter in its mortal dress,
Nor is there singing school but studying
Monuments of its own magnificence;
And therefore I have sailed the seas and come
To the holy city of Byzantium.

O sages standing in God's holy fire
As in the gold mosaic of a wall,
Come from the holy fire, perne in a gyre,
And be the singing-masters of my soul.
Consume my heart away; sick with desire
And fastened to a dying animal
It knows not what it is; and gather me
Into the artifice of eternity.

Once out of nature I shall never take
My bodily form from any natural thing,
But such a form as Grecian goldsmiths make
Of hammered gold and gold enamelling
To keep a drowsy Emperor awake;
Or set upon a golden bough to sing
To lords and ladies of Byzantium
Of what is past, or passing, or to come.

— William Butler Yeats —



Jerry Jackson
1955-1985

Crossing The Bar

Sunset and evening star,
  And one clear call for me!
And may there be no moaning of the bar,
  When I put out to sea,

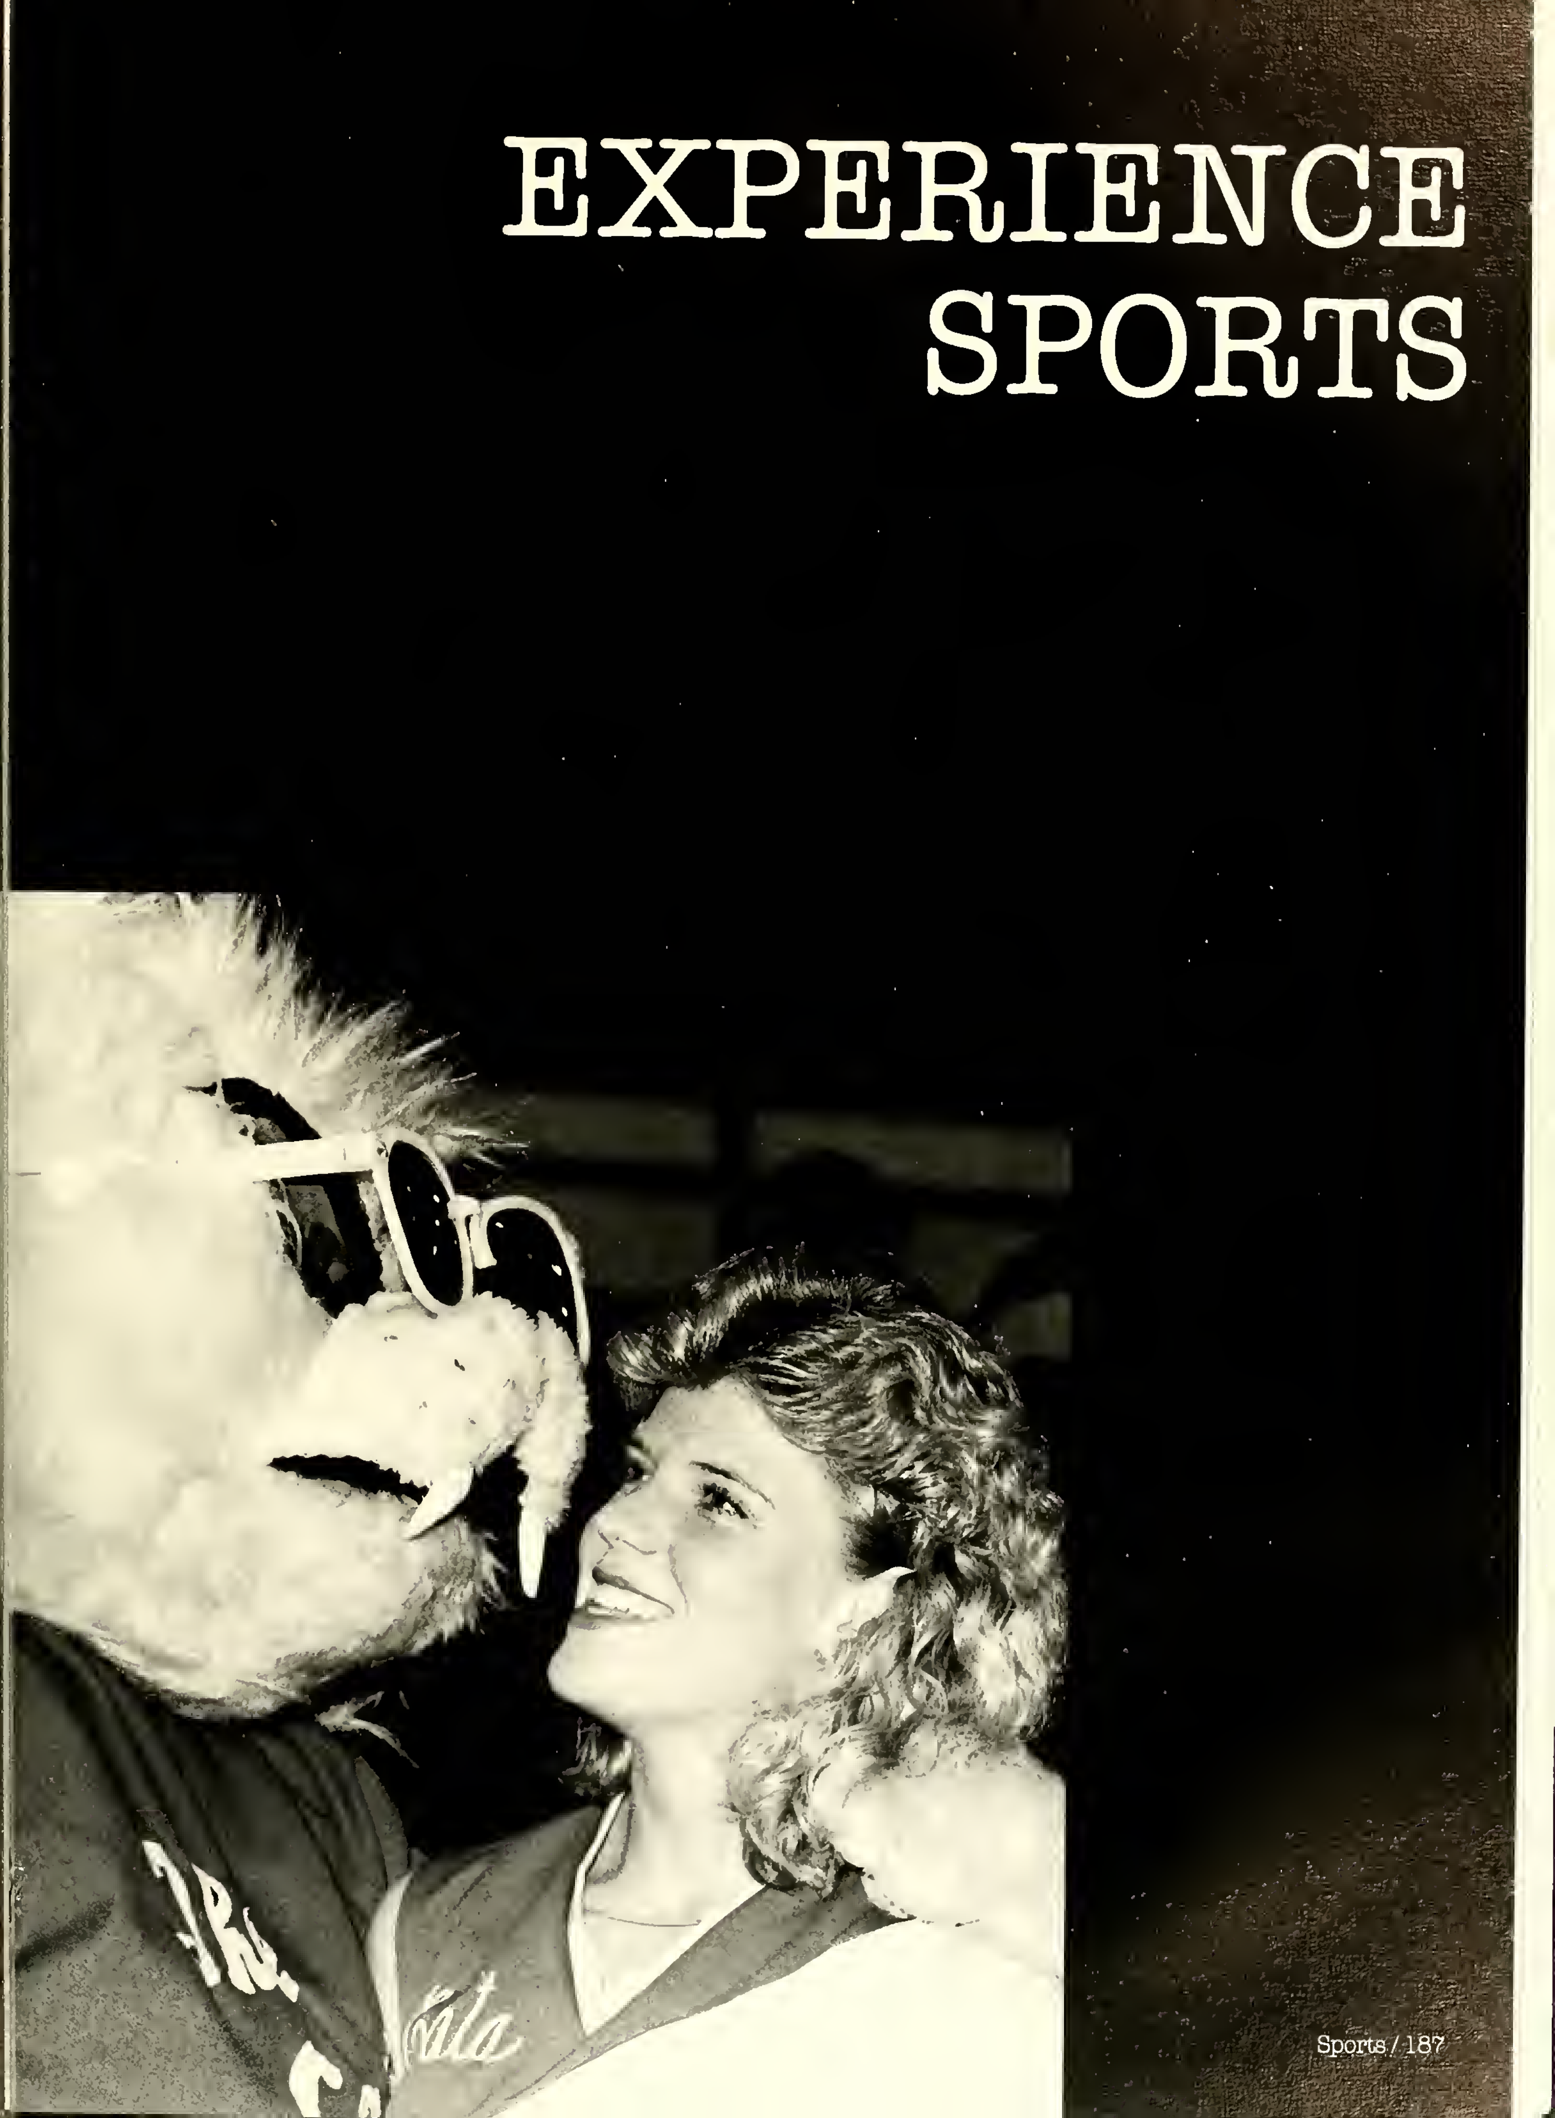
But such a tide as moving seems asleep,
  Too full for sound and foam,
When that which drew from out the boundless deep
  Turns again home.

Twilight and evening bell,
  And after that the dark!
And may there be no sadness of farewell,
  When I embark;

For tho' from out our bourne of Time and Place
  The flood may bear me far,
I hope to see my Pilot face to face
  When I crossed the bar.

— Alfred, Lord Tennyson —

EXPERIENCE SPORTS



FOOTBALL

team obtains fifth best record and Water's 100th win

The 8-3 record posted by this year's Catamounts was the fifth best record in WCU's football history.

Last year was a year for setting records. Coach Bob Waters recorded his 100th coaching victory in the Catamounts 31-17 win over East Tennessee State. Jeff Gilbert, a senior quarterback, capped off his collegiate career with 463 pass completions (WCU and Southern Conference records) for 5,508 yards and 33 touchdowns. Steve Kornegay, a junior punter, led the nation (I-AA) in punting for the 1984 season with a 43.3 per kick average.

As a team, the Catamounts were 6th in kickoff return yardage and 18th in scoring in addition to leading the nation in net punting.

Also, three players were named to the Division I-AA All-American football team. The members are defensive end Louis Cooper, placekicker Kirk Roach, and punter Steve Kornegay.

BASKETBALL
team went to the hoop once more

The men's basketball team ended the 1984-85 season with a 14-14 record. The year ended when WCU met VMI at the Southern Conference Tournament in Asheville's Civic Center. The final score was VMI 65-WCU 63.

WCU Catamounts were involved in six close games (five points or less) in the first half of the season and won four. Eight games fell into the same category in the second half and WCU came out on top only three times.

Moments to remember: Coach Steve Cottrell had his seventh consecutive non-losing record, unmatched by another Southern Conference school over the same period. Also, Quinton Lytle was named to the 1985 All-Southern Conference Basketball team.

Next year, the Catamounts look forward to opening their season on November 30, in the new Regional Activity Center.

BASKETBALL

victory absent but not talent

Western Carolina's Lady Cat basketball team closed out the season with a 7-19 record, and a 1-9 Southern Conference mark.

The Lady Cats saw their hopes for a tournament title erased Saturday, March 2, as they were defeated by East Tennesse State University, 72-51, in the first round of the Southern Conference Tournament held at ETSU's Memorial Center. On the positive side, WCU's Emily Holliday led all scorers in the ETSU game with 23 points.

At the end of the regular season, Holliday was the team's leading scorer with a 15.1 average. Holliday also led the Cats in rebounding, averaging 9.5 caroms per game.

BASEBALL'S

Southern Champs

Western Carolina University's baseball team traveled a rocky road in the 1985 season but their efforts were not in vain as they were the winners of the Southern Conference Championship game held at Appalachian State University.

The championship game was a microcosm of the season as the Catamounts fell behind 7-0, rallied to take an 8-7 lead only to fall behind again, 12-8, and then scored five runs to pull out the win, 13-12.

Pitcher Scott Gay was selected the conference's player of the year. The junior righthander posted an 11-3 record and led the league in strikeouts and wins. Outfielder Mike Carson, the tournament's most valuable player lead the team in home runs and runs batted in.

UNIVERSITY

SOFTBALL
team continues winning seasons

The Lady Cats softball team closed out their season with an 18-14 record, marking the eighth consecutive time that Coach Betty Peele's team has compiled a winning record. Since the inception of softball in 1978, the Lady Cats have posted an impressive 190-103 record. During the West Florida Tournament, the Lady Cats placed second. Three players; Tracy Owensby, a sophomore infielder from Swannanoa (named Best Offensive Player), Jill Blankenship, a sophomore leftfielder from Candler, and Krista Poythress, a freshman shortstop from Cary, were all named on the all-tournament team. Fifteen teams participated in the April weekend tournament.

last season

VOLLEYBALL

lady cats live up to expectations

The Lady Cats volleyball team finished the season by a score of 8-3 against Southern Conference opponents and 13-12 overall, after winning the conference title in 1983.

"This team certainly has lived up to its potential and then some," commented Coach Trish Howell after the tournament. "We knew from the start that we would be playing with a lot of inexperience on the court, but that did not stop anyone from giving 110% all the time. I am sure we surprised a lot of people with the caliber of play that we achieved, and I am very pleased with the season. This team represented Western Carolina well at all times, and I am proud of each and every team member."

TRACK

team aims and runs for records

The '85 WCU track and field team had an eventful year filled with victories.

At the Southern Conference Championship, the Catamounts finished first in five events and claimed second place in five others.

In addition, WCU's Don Milwood was named the conference's coach of the year. It was his second straight coaching award as he was also named the league's indoor track and field coach in February.

WCU placed second in the tournament. Prior to this season, WCU's highest placing in a southern Conference Track and Field championship meet was last year's fourth place. The 125 points is also WCU's highest point total ever in a conference meet.

EXPERIENCE — It's a word we've used a lot this year. It's also something the staff and myself have had a lot of while putting this book together.

This year has been one of great change for the CATAMOUNT yearbook. We've changed publishers and had the largest staff in five years. All of this will insure that the CATAMOUNT will remain an institution here at Western, one which has represented the students for the past fifty-three years.

Being the Editor means a lot of things. Meeting alot of new people who I wouldn't have had the chance to meet otherwise. Having friends and staff members put up with your many and varied idiosyncracies and stay with you until the very end, even if they don't understand the reason. Having to deal with people who you could care less about, but must because they're your only choice.

All-in-All it has been a great year, and I'm not sorry for one moment of it. Now comes the time to thank all the special people for their help. First for her moral support even if she didn't always understand the "whys" Jill Ownbey, next Danny Coggins, our Hunter representative, who was here to help every step of the way. Of course, Dr. Glenn Stillion, whom I'm honored to have had a chance to work with, and a special thanks to Bae Wade, who has been more help then she knows. To the rest, whom I don't have space to mention many thanks for all your help.

To the Student body, I have one last thing to say: Be kind and love each other, we're all we have.
